To whom it may concern:

Dear Sir/Mdm,

Ms. Foo Cher Shuan had completed her internship at Samsung Vivocity Service Centre.

Her duration of her internship is from October 06, 2021 to December 14, 2021.

Cher Shuan has an excellent abilities and can relate well with everyone. What's more, she is quite composed even under pressure, dependable and very proficient. She can work freely and is very adaptable and willing to take a shot at any task assigned to her.

During her internship I have experienced an individual who's very proactive, works hard and carries herself in a polite, respectable manner. In addition, Cher Shuan is exceptionally gifted at getting the most out of others while always maintaining a positive attitude.

She also learned how to handle difficult customers, troubleshooting, process payment and repairing of the hand phone.

I believe that in the future Cher Shuan will be an asset of the company. It is my desire that she finds an organization with an assets to help her grow professionally.

Very truly Yours
